UNFINISHED BUSINESS

Bittner Property/ PHN update- A survey will be made up and put in the June newsletter for the community to give their input on things needed at the new Aquatic Center. There will be a facility tour set up to view other sites in the area. The tour will leave at approximately 7:30 a.m.

New Park Assignment for board members- Assigned Parks are as follows: Gina Wolf- Centennial; Wayne Foresta- Osmond Park; Chris Lienhardt- Williams Park; Julie Konvalinka- Pedersen; Jim Weber- Saw Mill; Tom Kessell- North Park; Jeff Benes- Jensen Park.

Arbor Day Recap- Paul Howard sent a very nice letter about how excited he and the seniors are about the landscaping done at Arbor Day.

Trevor Creek, Tim Osmond Park and Pulte parkland update- The Trevor Creek parkland will be leveled soon. We should see some action in the next couple of weeks.

Pulte parkland. Everything is now done on the parkland. Informational signs have been placed along the walking trail.

Tim Osmond Park update- Planning stage is about finished. Laurie passed around the design. Fund raising is taking place and 3D Design group will be submitting paperwork for the OSLADD grant for phase 1.

ADDITIONAL ITEMS

STAHL- Camp Crayon graduations for the 4 year old class (4 ceremonies), and the 3 year old class (2 ceremonies). Laurie is very pleased with the expansion of the Camp Crayon program. Everything went well and we were able to accommodate about 50 more children this year. The pool is being repaired and is set to open on June 3rd. Registration for swim lessons is May 20th.

FORESTA- Nothing

KONVALINKA- Follow up on the light in the Pulte neighborhood. The lights are not too bright or too big. They look nice. A small concern as to whether the light will shine into houses on the north side, and if so are they on a timer?

KESSELL- Nothing

BENES- Nothing

WEBER- Didn't attend last month's meeting but was concerned when he read last month's park board minutes when he saw that Mike Haley cut the lightening detector out of the budget. Laurie said that Jeff Vandervorde from the Fire Dept. attended a staff meeting in chief Volling's place and said that there was possible grant money for this piece of equipment. That is why Mike cut it from the budget.

WOLF- Nothing

LIENHARDT- Can we build a website for the Parks Department to give details about Park usage or rentals?

There being no further business to come before the Village of Antioch Park Commission, Jim Weber made a motion to adjourn, and was seconded by Gina Wolf. The meeting was adjourned at 9:12 p.m. The next meeting will be held on Wednesday, June 21, 2006 at Village Hall at 7:00 p.m.
